

# ALI KADDAH

## Graphic Designer

### ABOUT ME

I'm Ali Kaddah, also known as Alien Wolf, originally from Syria born in 2004. I'm a graphic designer who enjoys programming across different languages for front-end and back-end development. I run my own brand, "Wolf Zone" for graphics and programming services.

### EXPERIENCE

#### Graphic Design Intern • 2020 - 2022

In this time, i started learning more about the graphic design and i was interested in discord servers designs.

#### Mid Graphic Designer • 2022 - 2023

After the previous period, I began to move towards the broader horizons of this field, learning new skills and advance it further.

#### Graphic Designer • 2023 - Present
